

Magee Music Society

A part of a fine musical tradition at Magee Since 1975

Welcome to a new year in the Magee Music Society! As your child is a member of a Magee Music ensemble, your family is now a part of a greater community of wonderful people who have discovered how singing and/or playing music positively affects and even changes your child's life, and possibly even yours! Becoming a member of an ensemble at Magee is more than just playing or singing, it is about contributing as a community to build stronger students. As members of the Magee Music Society we are able to help build a stronger community and department to allow our children to feel supported and to do positive things to help them progress at an even faster rate.

It is highly encouraged that each family with children in the music program become members of the Magee Music Society for a yearly donation of \$20 per family, regardless of how many children you have in the program.

Where does that money go to and what benefits does your child get from it? The Magee Music Society provides funding upwards of \$4000-\$5000 per year for the hiring of clinicians and workshops as well as brings in professional and semi-professional groups to play/sing for and inspire the students. We also spend upwards of \$10,000 per year for subsidies and bursaries for students needing financial assistance. Along with that we provide food and drinks for various community events such as our Seniors Tea and Little Night Music events and we help the music department to purchase instruments and other equipment and digital resources needed to help run a successful and strong program.

Along with helping to contribute to your child's education, becoming a member also allows you to get informed about what is happening in the department and upcoming events through email. By joining the Magee Music Society, you never have to be unaware of what is happening as we will make sure you are informed, and your email addresses are confidential and never compromised. One other reason to become a member of the Magee Music Society is that you have a say in what happens if you would like to! By becoming a member, you can now attend and vote at the Music Society AGM and if you choose to, you can put your name forth to become a member of our executive board and really help in a very direct way! We would be happy to consider you for a position in this very fun and exciting executive board who have meetings only once per month that are usually under an hour.

Major concerts will be on a first come first serve basis to a maximum of 260 tickets sold, as that is half capacity of our auditorium. People who have purchased the ticket package below will receive a numbered ticket for priority entrance.
